FAQ

To try it out on your own:

1) The Internet Explorer browser is not supported with Banner 9.   Firefox is installed on all campus PCs and is the preferred choice for running Banner 9.   Ellucian does also support Chrome and Edge if you have those at home.

2) To access the Banner 9 test environment, go to http://www.washburn.edu/banner and click on the Banner 9 Test link.

3) Running Banner from home will now require VPN access, see:

    http://www.washburn.edu/a-z-index/its/services-catalog/vpn.html

4) You will login with your email address and email password.
